TEMPERANCE COCKTAILS - (NON-ALCOHOLIC)

The Temperance Movement began in the early 1800s, is a social movement against the consumption of alcoholic beverages. Participants in the movement typically criticize alcohol intoxication or promote complete abstinence from alcohol (teetotalism), & its leaders emphasize alcohol's negative effects on people's health, personalities & family lives.

During the 19th & early 20th centuries, the temperance movement became prominent in many countries & eventually led to national Prohibitions.

Most notably in the United States (1920 - 1933).
